Ms. Cynthia, Ms. Natalie, and Ms. Beth are pleased to offer three exciting summer workshops. Kids will learn to respect the environment at Green Week, to respect themselves at Wellness Week, and to respect each other at Culture Week. Camp is open to all children ages 3 to 12 and cost is only \$150 per week. Classes take place from 9 to 1 on campus and at Eden State Park. Students will bring a bag lunch and a healthy snack will be provided. Space is limited and registration must be completed by May 22 by contacting Cynthia Mendez at 850-687-3088 or cmendez.cynthia@gmail.com. A percentage of the profits will be designated to professional development for teachers at SWMA.
